

ESC Board Meeting February 21st, 2024

GM Report- James Soesbee

-It is a top priority for ESC it to increase the number of lighted fields. After converting the complex, it would take the city of Edmond 10 years to break even (electrical cost savings) on investment.

-Light Expense

-with electrical 170k

-without electrical 180k

-adding LED lights to existing poles 1.2 million

-Field 17/18 are under warranty

-Parking area- city approved removal of trees

-Looking for options to increase fundraising

-Club will be implementing Home Team Live, a streaming service for all practice and games. James will send out proposal.

-Ribbon cutting ceremony for new construction- tentative date is early April

Mark Howard- Academy Director

-New coaches added to ESC- Ben Langford, Lou Elling, Joep Classen, Demetri
