

ARE YOU LOOKING TO HAVE SOMEONE ELSE ENTER YOUR SCORES AND STATS?

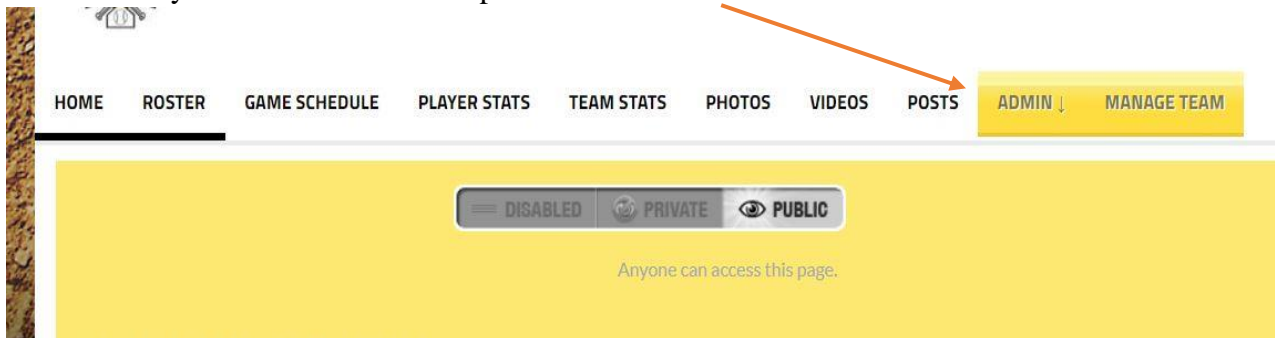

Coaches:

Once you have "owner" access to your team page you can assign anyone you choose to edit your team page. You can do it to save time and not wait for the web master to do it. Follow these steps:

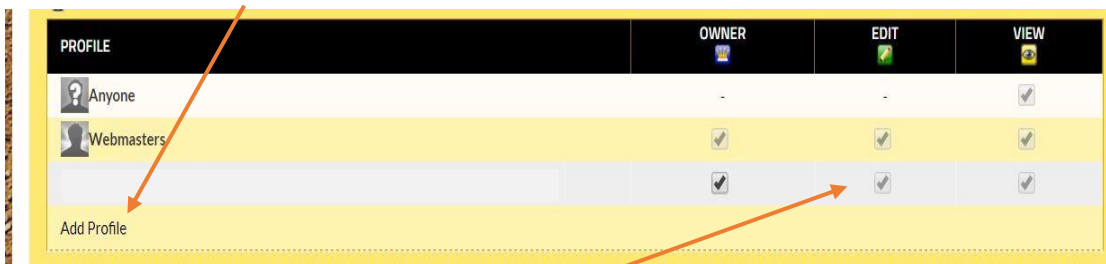

1. Make sure the person you assign has an NGIN account
2. Go to your team page, log in, click on edit mode.
 - a. Best done on a computer, next best ipad or other tablet, does not work on phones)

3. Click on the yellow Admin Tab the "permission button"

4. Click on "add profile"

5. Search for the person you want to add by typing in their last name (you need at least 3 letters to start searching)
6. Select person
7. Check edit box
8. Click "add profiles"
