WHERE DO WE PLAY?

Practice - Teams are provided practice areas in the Olentangy (Lewis Center / Powell / Westerville) areas. Teams typically practice two times per week.

Leagues – Teams play in local leagues in the Columbus, Ohio area. Home games are at community parks, and away games are played at your opponent's home field.

Tournaments – Teams play in a local end of season league tournament.

Optional – Teams have options to play in additional local or non-local tournaments based on Director guidance and the team's competitive preferences.

ADDITIONAL SKILL and GOALKEEPER TRAINING

Throughout the year, players will be able to attend supplemental training sessions to enhance their skill level and confidence. These sessions will be led by Barca Academy Columbus Professional Coaches during the Fall and Spring seasons. These sessions are offered at no additional cost and specialize in ball skills training for field players and goalkeeper specific training for goalkeepers.

SUPERKICK PARTNER BENEFITS

Through our partnership with SuperKick & Barca Academy, Classics Eagles teams have priority on winter field and court rental reservations, and will receive a discount on rentals. In addition, Classics Eagles players and coaches will be provided additional year round support by the Barca Academy Professional staff through supplemental training support for the players and coach education.

WHAT IS THE CE WAY? #CEWAY

The CE Way is the values the club operates by to ensure a positive experience for all players, parents, and coaches within the program and outside of it. It is based on the value of RESPECT for each other, our opponents, the game, and our community.
