[Teams that you/your player are a member of will appear in the Teams tab by default when you log in.](#)

If your team does not appear, please follow the below steps to search for your team.

1. **Open** the SportsEngine App and log in (ensure you use the correct log in that you registered your player with – some families have multiple log ins).
2. Tap the **Teams** tab
3. Tap the **Search** icon in the top right
4. Enter the **Team Name** and tap **Search**
5. Click on the **Star** icon to save your team as a favorite

To Add Additional Guardians to Player Profile:

SportsEngine grants permission to only one primary guardian initially, this primary guardian is the person who completed the online registration for the season. If permission to the app needs to be set up for additional parties, please follow the below steps.

1. Go to **Account** in the bottom menu bar
2. Click on the appropriate player
3. Click on **Pencil** at the bottom right of the screen

4. Click on **+(Add Guardian)** at the bottom right of the screen
5. Enter the Email Address for Guardian being added & hit **Save**
 - An invite email will be sent to the email address entered. They will have to set up a Sports Engine account if they do not already have one.
 - Once the invite is accepted they can download the app & access will be granted.
