

Winter Mite Jamboree - Set Up Crew and Rink

Set Up Crew

- Make sure the rinks are ready for the games. Put out the bumpers, nets, and pucks. Turn on the lights Friday eve. Unlock the door for the warming house, zam shack, and conex container.
- Rink 1 is for mite 1 games. We need one set of dividers on each blue line, running the length of each blue line, and 4 mini nets. There is a game on each end, the middle is left empty. Rink 2 is for mite 2 games. We need 4 intermediate nets and the rubber net pegs (located in zam shack).
- We will put 10 pucks in each penalty box, blue pucks for mite 1 games
- Saturday morning and Sunday morning: The police department is allowing us to park along woodland ave in the right lane next to the curb. They are dropping off cones to mark off the area. Set up the cones on Woodland Ave directing traffic away from the right lane starting at the north end of the baseball field almost all of the way up to Fairmont st. Set up cones to deter parking south of the entrance as there is no parking allowed on Woodland ave south of the entrance.
- Set up a table (they are located in the back storage room) next to the Zam shack.
- Friday night and Sat/Sun Morning-set up the grills with two tables and cooler between rinks 1 and 2. Need grill utensils, napkins, paper baskets, aluminum chafing pans, and money box (located in concessions kitchen).
- Saturday and Sunday morning: The chili warmer from Sir Bens will be in the concessions stand and will need to be turned on with an inch of water in the bottom of it at about 9:30am to give it time to preheat. If you see the delivery person from Sir Bens please meet him and help him Start bonfires

Rink Maintenance

- Clear the rinks of any snow if needed.
- Move the bumpers, half boards, nets, and rink boards for the zamboni, and replace for the next game.
- Coordinate with Zam driver and help keep kids clear of the path for zamboni
- Monitor the pleasure rink and keep an eye on the bonfires to make sure they're still going. And keep kids out of the river !

Rink Roamer

- Keep an eye on general operations and help with rink maintenance
- Keep Bonfire going
- Monitor the parking lot and especially Woodland Ave.
- You will be helping with whatever tasks arise during your shift
- **Keep kids away from Tischer Creek**
