

Good evening GPR Club Directors,

2025-26 USAV / GPR Full Memberships & Tryout Memberships will go LIVE August 1! A few important reminders:

- Only full season and tryout memberships go live on August 1. Short-Season and One-Event memberships will go live at a later date (Short - Dec 1 and One-Events Jan 1).
- The official season start date is Sept 1. The 2025-26 membership will not be active until then. The 2024-25 membership is valid until Aug 31.
- For coaches: ***please DO NOT complete your safety requirements (SafeSport and Background Check) until after Sept 1*** as it will make you retake them after the Sept 1 start date.
- Tryout Memberships are upgradeable (\$10 will go towards full season) as long as you upgrade before December 1.

Memberships can be purchased here: <https://www.greatplainsvolleyball.org/memberships>

AN IMPORTANT UPDATE ON THIS YEAR'S MEMBERSHIP PRICES:

The GPR x USAV Memberships come across as 2 transactions: a portion of the membership fees go to USA Volleyball and the other to Great Plains Region that we use to fund our officials, programming and other staff members. USA Volleyball has increased their portion of the membership by \$5 for full memberships. That means the 2026 full memberships fee will increase by those amounts. This is only on the USAV portion. The GPR portion will remain the same as last season. We wanted to be transparent with our club leadership in case parents have questions.

Updated membership prices can be found here: <https://www.greatplainsvolleyball.org/membership-options>
