The Lee Community Center is facing a major update to continue to provide our community with great memories for years to come.

We are asking businesses and community members to support the Lee Community Center so it can continue to provide opportunities to the surrounding area.

The Lee Community Center is currently facing the following major improvement estimating nearly \$400,000:

- Purchasing and Installing a NEW compressor System: Estimated Cost: \$400,000

To date, \$40,000 has been placed as a down payment for the project and we are looking for businesses and members of the community to help complete this project and your support is crucial to our efforts.

Thank you in advance for your consideration. All donations are tax deductible through the Morris Hockey Association's 501 (c)(3) nonprofit organization.

Please see the other side to fill out the donation form. Your donation is much appreciated!
