New Business

Keith – coed teams?; add girls teams from further distances so they could play Sat & Sun (16s and under, maybe 17 depending on team level)

- A 14s subcommittee was created to create options so the 5 14s teams don't just play each other all year
- If a club has a 14U team they are on the subcommittee

Keith will run SOS for older boys teams

Seeding/Format Committee – Nuge, Daniel, Ryan

RMR Club – disband possibly, release players but both clubs need to sign off the release – **TABLED** based on Keith finding more information

Daniel – Power host sites – set them earlier

Scott P will send these out to clubs (including 2 day) and then assign; also ask Krakken

Keith – 2 Day Regional Tournament same as ZBT – boys HS same weekend, so Power 6 instead?
