BATTLE OF THE BULLS

As you know, The Battle of the Bulls will be ending soon. It is running until November 1st. This is a key opportunity for us to raise funds for essential league equipment, including football training sleds, helmets, pads, cheer mats, and other necessary gear. Additionally, these funds will contribute to our end-of-year celebrations for both football and cheer.

We greatly appreciate your involvement and support in making this event successful. If you haven't had a chance to register yet, please do so as soon as possible. Your participation not only helps us reach our fundraising goals but also ensures our athletes have the best equipment and experiences throughout the season.

Here's how you can help:

1. Register: If you haven't already, please visit [Your Registration Link] to sign up.
2. Spread the Word: Share information about The Battle of the Bulls with friends and family to boost our efforts.
3. Get Involved: Consider volunteering or contributing in any other way that you can.

Every bit of support counts and is greatly appreciated. Together, we can make a significant impact and ensure a fantastic season for all our players and cheerleaders.

Thank you for your continued support and dedication!

STUDENT-ATHLETES OF THE WEEK

The Livermore Bulls Junior Football League would like to recognize our student-athletes whose effort, desire, sacrifice and contribution has made a difference to their team, coaches and teammates throughout the season. Unlike most recognition awards these nominations represent much more than just personal achievement on the field of play. Great teams have players willing to take on new roles and support others for the greater good. By receiving this recognition, the player has demonstrated great character, leads by example, has a willingness to put others first, made sacrifices or other valuable contributions to the success of their team that which is not always recognized.
