2018-19 Fundraising

Don't forget, just participating in this event will help us strengthen our relationship as a youth organization and this is a chance to meet and hang out with members from all other teams. Help us make BBLYHA stronger while having fun at the same time!

We feel we are double winners when our BBLYHA community can set and meet monetary goals, while having fun in a healthy, active way. Please support ALL players and families in their efforts!

100% of the money raised will be used for projects within Becker-Big Lake Youth Hockey and every dollar raised will go directly to your family fundraising allocation for the year.
