

Old Pike Pool Party

We are so excited you want to celebrate your big day with us! Please read over this info before your party. Your guest list does not need to be complete until you arrive for your party. Feel free to bring it with you.

Name of Reservation: _____

Items of note:

- The guest list needs to be handed to guards when you arrive for the party. Guests won't be let in without their name on the list. 20 non-member max for the party.
- Parties are scheduled back-to-back. If there is a party scheduled before yours, you won't be able to access Party Cove until your start time. If there is a party scheduled after yours, you will need to have the area cleared by the end time.
- For your guest list, each body inside the pool deck counts as a guest. This **includes** people that are not going to swim. Old Pike members do NOT count towards your number of party guests.
- Non member party guests must leave the pool at the end of the party time. They cannot arrive before the start of the party. It is YOUR responsibility that guests follow these rules. You **cannot** leave your guests at the party since you are the member responsible.
- Guest bags and items must be contained around Party Cove out of respect to our members. Party decorations and food must be contained inside Party Cove.
- NO CONFETTI
- You are responsible for cleaning and resetting the party area at the end of the party.
- Old Pike rules extend to your guests. It is your responsibility that they follow pool rules and expectations.

If there is anything else you need from Old Pike, please let Jessi know as soon as possible!

Guest List
**Non-members only!! Old Pike members will be
checked in like normal.**
