Discussion

Executive Director - Frank Salvoni - Nancy and Frank in discussions about a hotel portal to help team managers with travel tournaments. Frank continues talking with coaches and working on having options once we find out where kids land on teams. Frank working with Nancy on tournament schedules and found some new tournaments we haven't been to yet. Not as many girls wanted to play on all-girls teams as we hoped for at U12 and U14. We will need to wait for sign ups to finalize tournaments and schedules.

Registrar's Report – Nancy Fenn - Sent the report with proposed schedule. Registration is open and we have started to get some coming in. We are looking to be in good shape with the program ready and set up before going into summer. Nancy will talk to managers about the parade on 4th of July.

Hailey Ice – Sarah Benson - Hailey Ice stayed open in April and May for the first time and it went quite well. More camps start this month and there will be a full schedule through summer and into fall. Sarah is working hard on the Hailey Ice capital campaign. Jeff thought it would be nice to get the kids involved and 100% participation for every team to help with fundraising.

Treasurer's Report – Barton Burdette (not present) Report was emailed.

President's Report– Brooke McKenna - Brooke revisited the Code of Conduct draft that Ryan D. distributed. Three of our teams have been invited to be in the 4th of July parade as the Idaho State Champions. We need volunteers to coordinate participants and figure out if all three teams can fit on one float or get some trailers and trucks to help out.

Meeting adjourned at 7:02. John motioned, and Ryan seconded.
