

THE OFFICIAL

APPLETON EAST

YOUTH BASKETBALL

Dear Appleton East Senior,

Congratulations on being eligible for an Appleton East Youth Basketball Association (AEYBA) Scholarship.

Your leadership and commitment to the East basketball program was greatly appreciated by the AEYBA. You have set a positive example for our current AEYBA and future East High School players to follow. Please stay involved in the high school and AEYBA programs if the opportunity presents itself in the future.

The AEYBA will award a \$500 scholarship to those furthering their education provided they meet the following criteria:

#1 - Fill out an AEYBA scholarship application online by going to <https://www.aeyba.com/page/show/4797161-college-scholarships>

This should be done by the end of June after you graduate.

#2 - Complete your first semester at the University of your choosing. Over your Christmas break, send a copy of your first semester transcript along with your second semester class schedule to the AEYBA President.

Assuming your first semester is complete in good standing and you are enrolled in the second semester, the AEYBA will write a check for \$500 to the University so that you can apply the money toward your second semester tuition costs.

If you have any questions please contact president@aeyba.com by email.

Sincerely,

The AEYBA Board
