

Uniform Fitting Information

For the 2020-21 Season

ATTENTION WILDCATS FAMILIES

Please read the following information closely. Directions for all Wildcats boys and girls travel teams and Wildcat ADM and In-House members regarding required uniform items and optional equipment for North Pittsburgh Youth Hockey Association (NPYHA) are provided below.

NPYHA is pleased to carry forward our partnership with K&B Outfitters (K&B) for our uniforms and equipment offerings for the upcoming season. We have again continued our efforts with focus to improve our product offering and timely delivery services of our travel teams' required core uniform items (jerseys, socks, and pant shell) to our membership. **Everyone will do their best under these difficult circumstances to have our teams ready for season activities.**

FOR THE 2020-21 SEASON

There will be two (2) phases of uniform delivery. Phase I will include Core Uniform Items (jerseys, socks and pant shells). Phase II will include Optional Warm-ups, Hockey Bags, Garment Bags and new this year, Backpacks.

Cut-Off Dates for Orders that will be included with the Club's Bulk Delivery and will be distributed to you through your team manager are:

- Girls and Boys Travel Teams – TBD
- ADM and In-House Teams – TBD

Orders received by K&B after the Cut-Off dates will be shipped directly to the member with an additional shipping and handling fee of \$7.99. If your order is over \$200, shipping is free. Or, you may arrange to pick up your items at K&B's Shop in Ambridge.

We will also continue with K&B conducting fittings separately for Wildcat Travel and ADM and In-House players.

The uniform fitting process for the 2020-21 Season will be completed as follows. Uniform fittings are only required for:

- Players that are NEW to the organization
- Players who are interested in purchasing new jerseys, socks, or pant shell
- Players that have grown and need a larger size or new/replacement items

FOR TRAVEL PLAYERS

Squirt though Midget and Girls teams will use the current jersey designs.

FOR ADM AND IN-HOUSE

These players will be using the same uniforms as last year. They have a different color scheme and logo design from our Travel teams.

Players moving up from ADM or from In-House to the Travel Level will need to purchase the new Travel style Jerseys, Socks and Pant Shell.

Otherwise, if your player has a set of Jerseys and Socks from last year and they still fit, you do not need to purchase a new uniform.

REQUIRED NPYHA UNIFORM

Click [HERE](#) to see the line-up of Core Uniform Items and other apparel and Spiritwear available to the Association members this season.

JERSEYS

[Travel players \(Squirt to Midget and Girls\)](#)

- Home and Road Game Day Jerseys - \$104 each
- For oversized Adult 2xl and 3xl Jerseys - add \$3
- Custom Goal Cut Jerseys - Add \$6 per jersey.

ADM and In-House

- Home and Road Game Day Jerseys - \$45 each; \$90 per pair

SOCKS

Travel players (Squirt to Midget and Girls)

- Home and Road Game Day Poly Mesh Hockey Socks - \$26 per pair
- One black pair and one white pair are required

ADM and In-House

- Knit hockey socks - \$13.50 per pair. One white pair is required

HOCKEY PANT SHELL

Travel players (Squirt to Midget and Girls)

- Hockey Pant Shells - \$45.75

ADM and In-House

- Shells are optional.

OPTIONAL WARM-UPS - ALL TEAMS - TRAVEL, ADM, IN-HOUSE

- [Warm-up jackets](#)* - Youth and Adult, including Applique - \$84
- [Warm-up Pants](#)* - Youth and Adult, including Applique - \$44

*Warm-ups are CCM brand that will be embellished the same as prior season.

FITTING DAYS AT BAIERL ICE COMPLEX

For your convenience, we will set up specific dates and times for Fittings of jerseys, socks, and pant shells plus optional warm-ups.

Please bring your hockey shoulder pads and hockey pants to assist in the fitting process. Shin guards are not required. No need to bring your entire bag.

While at the Fitting, you will also be able to order Hockey Bags, Garment Bags and Back Packs that will be included in K&B's Bulk delivery.

Helmet Decal Sets and Hats will also be available at the Fitting that you can take with you (while supplies last).

K&B is planning to perform two (2) separate Fitting sessions for each Group (two for Travel and two for ADM - In-House). All Fittings will be onsite at the Baierl Ice Complex in Warrendale. K&B will have a size run of materials for members to try on over their equipment to ensure a better fit.

Fitting Sessions are scheduled as follows:

Travel Team Players

- TBD
- TBD

ADM and In-House

- TBD
- TBD

Payment for your Order is due at the Fitting. K&B accepts all major credit cards, checks or cash. Credit card payment will be completed onsite with confirmation email or text receipts provided. Otherwise, you may use your smart phone to capture a picture of your check or cash payment as your receipt.

ORDERING OPTIONS

Wildcat members can take advantage of the online buying experience as another convenient option. Please see the link below and instructions.

- Go to www.KandBOutfitters.com
- Once there, go to **SHOP**, then **AMATEUR PARTNERS** and click **Wildcats Logo**

You can also fax the completed Order Form to 412-202-7777 or by scanning and emailing the Order Form to kandboutfitters@gmail.com. You can also place your order weekdays 10am to 3pm by phone at 724-266-1133.

We will also post Order Forms (one for Travel and one for ADM – In-House) on the Wildcats web site. Extra blank Forms will also be available at the Fittings.

***Order Forms** - Click [HERE](#) to get the forms from the Wildcat web site.

Please print the Order Form and complete the top portion “Player Information” in advance of arriving for the Fitting. Do not add your personal credit card details. Providing the Player information in advance will help to reduce the wait time in line.

In an attempt to streamline the process further and minimize long wait times this year, K&B will increase their on-site staff and provide an additional Size Run rack.

Additionally, K&B will set up three Stations for capturing sizes and a separate Pay Station for processing payments only. Therefore, if you know your sizes, you can save time and avoid the longer wait time by taking your completed Order Form directly to the Pay Station line.

All areas will be marked. Please visit the appropriate line for your needs.

Please also note that the lines tend to be long at the Fittings if everyone arrives at the start time. Therefore, it is best if the members arrive throughout the Fitting period.

A FEW SPECIAL NOTES REGARDING JERSEY NUMBERS

ADM and In-House Players - Sorry, we cannot accept requests for specific jersey numbers for players in these programs. Instead, Jersey numbers are assigned arbitrarily until players reach the Squirt Travel Level.

TRAVEL PLAYERS (SQUIRT THROUGH MIDGET PLUS GIRLS)

Continuing for the 2020-21 season and since the jersey applique is all sewn tackle twill, travel players may have the jersey number of their choice (@ RISK). However, they must meet the following criteria:

1. You are not on the same team as another member that is already assigned the number that you want and,
2. You agree to change your jersey number if you are ever placed on the same team as another member that is already assigned the number you want.

Please note: If you left the organization and are now returning, there is no guarantee that you will be able to use your previous number.

Number Alterations/Changes can be made by K&B at an additional cost (\$49 for Back and Sleeve # Changes).

NOTE: Girls are assigned a number that is not in conflict with numbers previously assigned on Girls teams only. If a girl decides later to also play on a boys’ team, her number may create a conflict on the boys’ team with another player that was previously assigned the same number. In these cases, the girl must change her number.

You must select five (5) number choices in order of preference (on the Order Form). Or, you may select just one or two numbers if you are agreeing to take a number @ RISK and are in compliance with the conditions noted above.

If all five of your number choices are blocked, you will be contacted by K&B to settle on an Open number. Or you may elect at that time to accept a number @ RISK.

It is important to note that you want a number @ RISK at the time you place your order.

Please also note that Order Forms with less than 5 number choices (excluding those with a number @ RISK) are processed last. K&B does this to encourage everyone to select 5 number choices which helps them with the number assignment process.

Additional disclaimer: The Number Assignment process is challenging given the number of members that cross a three year birth year span. Therefore, there is no guarantee you will get the number that you want based on the criteria provided above.

NPYHA and K&B will work with you to make this portion of the order process as favorable as possible. Alterations of jersey numbers after the fact are at an additional cost to the member.

OPTIONAL EQUIPMENT ON THE K&B WEBSITE

Please visit the K&B web site for optional equipment, bags, decals, and other apparel. These items are ordered and handled on an individual per order basis. These are OPTIONAL ITEMS for any members, players, and parents.

ONLINE VIEWING

Click [HERE](#) to see the full line-up of optional products provided to the association this season. Once there, go to **SHOP**, then **AMATEUR PARTNERS** and click **North Pittsburgh Wildcat Logo**. From there you can view and order your optional items.

If you need any additional information, please send your inquiries to NP Equipment Manager, Katina Koontz, Equipment@wildcatshockey.net
