Mid American District Hockey, Inc

Local Membership Associations

I have attached the required Local Membership Agreement as presented and approved at the Annual Meeting of Mid American District Hockey, Inc held June 22, 2024. As presented at that time we must annually maintain a copy of each local member signed association agreement, to remain in compliance with the Mid American District Hockey, Inc. Annual Affiliate Agreement required by USA Hockey, Inc. You have received this as the registered President/CEO and must complete all information, endorse, provide the USAH association number and return the complete document to Lori Billings administrator@midamhockey.com as soon as possible and no later than July 30, 2024.

An example has been attached detailing the required information to complete. Team rosters for the 2024/2025 season will not be approved until this document has been returned, properly completed, and signed. Failure to complete the information as noted on the example will delay the approval and require the document returned for completion.

The returned document accurately completed will be signed by the President of Mid American District Hockey, Inc. and returned for your associations.

Additionally, we included the normal annual submissions of compliance requirements required for your respective Association. Please submit all questions to administrator@midamhockey.com.

Thank you for your cooperation
