- Mini-mite/Mite Update
 - 34 MM (up from last year)
 - 49 Mite (same as last year)
 - Consideration of changing Mite schedule to allow for them to play in a Verona tournament but it is a full ice, so our season has to be done
 - Will make that weekend a 'full ice' weekend and official season is over on March 13th
 - Eble now has an in-house league
 - How do we want to approach it?
 - We consider it an option for families
 - Should we adjust the number of teams due to the skill level of the group of skaters and number of kids on the team-if someone is gone, the team is short
 - Can ask other kids to play on the team for the game
 - Can share kids with opponent
 - We follow the ADM recommendation and 1/3 distribution of players is in our policy
 - We keep roster open until January, so we will also likely have more kids by then

Thank-you to the following for their attendance and participation: Andre Saunders, Mike Nevins, Jenn Rauser, Scott Nichols, Nicole Schroedr Peschel, Robert Sheppard, DJ Drayna, Charlie Thoms and Tony Nienas.
