

# KANSAS CITY ICE CENTER

**The Kansas City Ice Center COVID Policy as of 11-1-20 is outlined below all KCIC Patrons.**

1. All persons are required to wear masks at all times during their entire visit at KCIC.
2. All coaches and off-ice officials are required to wear masks while on the bench or in the penalty box area. Players/Skaters may remove masks when going onto the ice for their game/practice/freestyle time.
3. Players should arrive at the rink no more than 30 minutes before the start of on-ice activities. Anyone arriving 30 minutes before their start time should wait outside of the facility and be socially distanced from others.
4. At the scorers/announcer's box, best practice would be that one assigned adult will be responsible for clock and scorebook with nobody else allowed in that area. Masks should always be worn by off ice officials .
5. Check-In and Tracking Protocol will continue with external temperature taken of everyone upon arrival. Any individual with an external temperature reading exceeding 100.4 F will not be allowed in the facility.
6. Players/skaters are allowed two (2) parents/guardians in the rink. While it is important to limit the number of people in the facility as much as possible, there may be circumstances in which a parent or guardian must also bring in young siblings. This will be allowed but should be limited as much as possible.
7. Spectators and participants are required to exit the arena in a timely manner. Spectators may wait for the team outside or in their vehicle. There will be no "hanging out" in the arena lobby.
8. Players/Skaters participating in on-ice activities will be sent to assigned areas to prepare for the event. Please come as fully dressed as possible as KCIC will use some common areas like lobby and benches in the arena to finish preparing. When assigned to a locker room, players must continue to wear their mask as they prepare for on-ice activity.
9. Spectators are asked to sit on the labeled "sit here" areas in the stands.
10. Staff will be cleaning all lobby seats, stands, and locker rooms at the end of each session.
11. Absolutely no dogs will be allowed at KCIC (Service Dogs are welcome)

**Thank you for allowing KCIC to provide a safe and enjoyable environment**
