

THE ADIRONDACK RUNNERS was founded in 1983 to promote the sport of running, both on a competitive and recreational basis. The club's total membership includes over seven hundred runners from all over the Adirondack region and adjoining states. THE ADIRONDACK RUNNERS publishes a monthly newsletter, and holds monthly educational and informational meetings. The club sponsors seven premier races each year in the Greater Glens Falls area, and, in addition, the club is the organizer and sponsor of the popular Summer Track Series. THE ADIRONDACK RUNNERS does not discriminate on the basis of age, sex, race, creed, national origin or physical challenge.

In awarding scholarships, THE ADIRONDACK RUNNERS seeks not only to promote running as a healthy lifestyle choice among our local youth but also to identify and recognize individuals who embody the *spirit of running*. Although length of running experience and level of achievement will be factors considered by the Scholarship Committee, substantial weight will also be given to the degree to which the applicant manifests the pleasure, benefits and unbridled joy of running.
