How to Measure Goaltender Height

1. Have tape measure fixed to wall, showing full view from floor to above the athletes' head.
2. Goaltender must be in shorts, T-shirt and bare feet.
3. Goaltender stands up straight with heels against wall, head level.
4. A ruler is used to measure straight from the top of the athletes' head.
5. Pictures need to be full view from head to toe of the athlete.
