JAMBOREE RULES

To help ensure a fun, organized, and positive experience for everyone, please review the following game-day guidelines:

- Teams should be ready to take the ice ten minutes prior to scheduled game times.
- There will be a three-minute warm-up prior to each game.
- Games will be two 26-minute running time halves. Games must be played in one hour time slot.
- ALL games will be half-ice either 4 on 4 or 5 on 5. The horn will sound every 2 minutes for players to change and blue pucks and intermediate nets will be used.
- There will be a single faceoff, used only to start the game. There will be no other faceoffs in order to keep the play moving.
- On a player change, the team that gains possession of the puck must take it behind their defensive net before attempting to score.
- After a goal or save, the offensive team backs up behind the half-ice center line and the defending team brings the puck up ice.
- After a goal or save, the defending team will always start with the puck.
- Players not in game must remain in player's bench area. NO sitting on the boards in the player's bench.
- In all games, players should be ready to change lines so the games can run on time.
- Game scores will not be kept.
- Any penalties called will result in a penalty shot. All players on the ice will line up fifteen feet behind the shooter.
- When the shooter begins moving the puck, the play begins and all players are engaged in the game.
- Games will have only one referee. Most referees will be first year Level 1 Officials.
- The Zero Tolerance Policy will be followed.
- The ice will be resurfaced after every two groups of games.
- Locker Rooms will need to be shared by multiple teams. Please be courteous and clean.

Thank you for helping us create a positive, supportive, and enjoyable experience for all of our players. We appreciate your cooperation and enthusiasm throughout the season!

In memory of

LEE KOFSTAD

The East Grand Forks Parks and Recreation Department and the EGF Blue Line Club welcome you to our city and the 2026 Annual Mite and 8U Jamboree. This event is dedicated to the memory of Lee Kofstad, a longtime coach in the East Grand Forks hockey program who worked with termite and mite teams for several years.

Lee passed away on July 5, 2011, at the age of 37 after a battle with pancreatic cancer. He was known for his deep love of family, friends, and the game of hockey. He was a devoted husband to Xan and a proud father to Ajay, Cam, and Mya.

Ajay, a 2020 graduate of East Grand Forks Senior High, works as an insurance agent and serves as a full-time official in the USHL, while continuing to officiate locally. Cam, a 2023 graduate, is pursuing nursing at UND and is a Level 4 USA Hockey official. Mya remains active in figure skating with the Northern Lights Figure Skating Club and is a member of the Green Wave hockey cheer team.

We are honored to continue Lee's legacy through this Jamboree and the strong hockey community he helped build.
