It should be noted that we strive to provide travel baseball opportunities for as many players as possible. We hope to have 2 travel teams at each age level. For ages 11u through 14u, our goal is to have one AAA team and one AA team. Our travel teams are designed to give players competitive baseball opportunities by playing some of the top competition in the area, state, and region. Grand Forks baseball teams will be given the opportunity to travel to various tournaments throughout the area in the summer as well as the opportunity to compete in the North Dakota State Tournament and beyond. It is not guaranteed that all players will have a travel team to play on, but we will try our best to provide opportunities for all. In the event there is not a team for a travel player to play on, a full refund will be given and that player is welcomed to sign up to play on a local league team in our competitive nighttime baseball program.

Those players interested in trying out for any travel baseball team will be provided the opportunity to attend development sessions for their respected age group beginning in March at the Gambucci Arena. These activities are for registered players only. The March Gambucci schedule will appear your SportsEngine App or you can find it at gfbaseball.com

The tryout process for travel teams will take place over a 2 day period, with the selection of teams completed by an independent group of evaluators. The AAA and AA teams will be decided during the same tryout process. Tournament schedules and game schedules will be loaded to the SportsEngine app as soon as they are available. You will have the opportunity to

review the schedule for each team in order to make an informed decision on playing travel baseball.
