- BATBA Tournament What would you think about BATBA using our grills and concessions for a healthy payment from them (and they would pay the workers)? I think this could be good if done right. **\$1,000 or more, probably depends on how much is sold.**

Golf Cart – What is our budget. Do we need a golf cart or maybe a side by side or Gator? This will belong to SBAA so should we be using it to drag fields? We will need a place to store this. Corryn will check with the City if they would have somewhere for us to store also if we could expand our shed at Lions and make it taller? Stephanie will continue pricing out.
