We will be collecting nonperishable canned food items for the local food pantry during the parade. If you have any donations, please bring them to your stop.

Thank you!

NOTE: We will try to keep as close to possible, but please forgive us if we are running late. Also please keep the stop areas free of vehicle so the fire apparatus can fit down the street and navigate the turns. Thank you!

CAUTION! Parents please watch your children as the parade approaches! DO NOT APPROACH THE VEHICLES until they come to a full stop! We do not want to have any accidents!
