

2025 MN STATE LEADERSHIP CONFERENCE EVENT SPONSORSHIP OPPORTUNITY

The Workplace Skills Assessment Program is an integral part of Minnesota Business Professionals of America. The goal of the program is to provide all business students with the opportunity to demonstrate workplace skills learned through business education curriculum. Members prepare for and compete in contests in more than 70 categories. Members attending the State Leadership Conference qualified by their performance at regional competitions held across the state of Minnesota.

HOW CAN YOU HELP?

Make your organization stand out with exclusive branding opportunities at the 2025 Minnesota Business Professionals of America State Leadership Conference. Your organization's name will be featured with your chosen competitive event in all published materials, conference signage, and during general sessions.

Minnesota BPA is looking for sponsors for each of the competitive events offered at the 2025 State Leadership Conference. With your \$1,000 investment, you will help qualifying students attend the National Leadership Conference. All dollars will go directly to students competing in your selected event.

As part of the sponsor agreement your organization will have the opportunity to provide a total of 3-4 judges for your event, and will receive the opportunity to have an executive on stage to be acknowledged for their sponsorship and present awards to all participants at the Grand Awards Ceremony.

WHEN WOULD REPRESENTATIVES BE AT THE CONFERENCE TO JUDGE?

The need for judges varies by event. Most events require judges only on Friday, March 7, 2025, but some may need judges for pre-conference technical scoring. MN BPA will work directly with you on your event selection and determine needs.
