Will be done with basketball by Spring Break (1/2nd week of March). Need help from the surrounding cities with scheduling, paying refs, etc but none are willing to step up.

**Next meeting :** Longer meeting maybe on a weekend 2-3 hours - discuss positions up for vote and dissolving some of the sports as the numbers are dropping and no new help from the community/parents. Or an Exit Strategy from CRAA-

Ideas to get more Community/ Volunteers to help and take over CRAA- just the lack of support of the community. Meet with the local community paper?
