Graduation
You have now entered the graduation process. Please follow the instructions below to become a referee

You have now entered the graduation process.
Please read the following information carefully so you can be set up correctly as a referee within the Ref Centre system.
Each referee **must** select a club district association in order to become a referee.
Please complete this graduation process immediately to ensure that your name appears on the list of registered referees for this season, and so you can register properly again next year.
Please contact your local soccer association (club or district) to find out what process you need to follow in order to receive game assignments.
