

Hello Neighbor!

I am a member of the Champlin Park Lacrosse team and I'm asking you to consider a donation to my team AND help local small businesses.

Due to stay-at-home rules, our team had our entire season cancelled. I have a few fundraiser **coupon books filled with over \$350 in LOCAL SMALL BUSINESS SAVINGS**. Your \$20 donation will help my team replace uniforms, purchase new equipment and (hopefully) help us play in a local tournament this summer. **Your *entire donation* goes to my team – our local coupon books were paid for by team sponsors.**

If you would like to help my team and get great savings at Champlin and Brooklyn Park-based restaurants, retailers and services, you can contact me below and I will bring a book to your house for a quick, "contactless" drop off. Thank you in advance for any help for my team.

Sincerely,

name
