Scheduling, Review & Ranking Process

SCHEDULING & REVEIW

Scheduler to complete team match ups taking into account the following:

- Teams can play any team that is in their bracket
- Teams will play every team in their bracket at least once
- Teams will not play a team more than 2 times
- Teams will not play a team back to back
- Teams may play out of their bracket with the bottom 3-4 teams in the upper division playing the top 3-4 teams in the lower division with the highest teams in the upper division playing the highest teams in the lower division

Review should highlight all teams playing out of their division

Review should highlight any rules above that are not met

The scheduler should complete a draft of the schedule making sure that the following are spread out as equally as possible:

- Turf games
- Field played on
- 1pm games
- 9am & 11am games
- Home vs. Visitor

Final Draft review will have a matrix that provides the number of each occurrence listed above.

Scheduler to give board minimum of 7 days to review and allow for changes and final approval.

Scheduler to have the full approved schedule to the managers no later than 2 weeks prior to the first game

All games to be posted to the website by the first game of the season

RANKING

At the end of the season teams will be ranked based on the following:

- Standings & Head to Head match up
- Games played out of a team's division
- Goal differential (if needed)
