8. Open Discussion –

Damian Eligibility ask will it help get the forms filled out more correctly if
we do a coaches seminar. We have held these in the past just
unfortunately we rarely have had any New coaches show up, it is the
Seasoned coaches. This will be an awesome thing to do on the divisional
level.

Specific Rule changes on the division level need to be sent to the ethics
director. We need to tell the umpires. They need to know what the
specific rules are for each division. Each division can have 2 rule changes,
specific to that division.
