

## **Selection Criteria for Steamboat:**

The qualification process for U16s from the 2021 Hosking race to attend R/C champs in Steamboat is as follows. We will use the best 2 of 4 finishes from the giant slaloms and slaloms based on World Cup points to make the athletes selection. Super G has been eliminated for the 2021 from this process.

All tie breaking will be done using the current rule in the Central handbook. - Central Coaches Chair. JJ

Quota:

21 Women

24 Men

\*\*X members will not count against the Central quota but an athlete does need to qualify under the above criteria.

**Discretionary Selections:** Two discretion spots per gender will be held for consideration by the Central Development Committee (consisting of the Central Coaches Chair and the four Regional Coaches Chairs). Official requests will be due 24 hours after the completion of the qualifying series. The Central Development Committee will rule on those ASAP following the 24hr deadline and report those decisions to the Central Division Manager. If there are no requests, then the 2 discretion spots will move down the list to the next ranked athletes.

**Steamboat: FACT SHEET TO BE POSTED LATER.**

## **Jackets:**

Again, this year we will be offering RC Championship Jackets. Due to the extremely tight turn around orders will need to be in no later than 12:00pm MST Monday, February 22<sup>nd</sup>. NO EXCEPTIONS!!!!!!!!!!!! Due to Covid policies we will not have jackets for athletes to try on at the event. The jacket is the same jacket we have ordered the previously few years and sizing has not changed.
