

Good morning GPR Club Directors!

Sending a few items your way as you prep for the 2025-26 Club Tryout Season! If you have any questions about the SportsEngine Member Management System, you can email membership@gpvb.org and one of our staff will get back to you.

PURCHASING MEMBERSHIPS FOR STAFF:

In order for a GPR Club Tryout to be sanctioned and covered by USAV insurance, all participants (coaches and athletes) must have an eligible 2025-25 GPR Membership. If you would like to purchase your club coaches memberships in bulk, here are instructions on how to do that:

- Once the staff has been added to the Directory, you can add them to a separate group.
- **[HOW TO CREATE A GROUP](#)**
- From here, select all individuals within the group via checkbox, click on the 3-dot icon and click "Buy Memberships" to complete the membership purchase for all selected individuals (see example image below). **The maximum you can purchase at one time is 25, so if you need to purchase more than that, you'll need to do multiple transactions.**
- ***NOTE: Background screens can no longer be purchased in bulk, so your coaches will need to purchase that on their own. They are \$14.***

The screenshot shows the SportsEngine interface for a group named "**21-22 One Day Coach". The group has 22 members, all of whom are selected. The interface includes a search bar, a "MESSAGE" button, an "EDIT COLUMNS" button, and a "Buy Membership" button. The table below shows the columns for the group members.

GPR TRYOUT MEMBERSHIP QR CODE:

If an athlete attends your tryout and does not have a full season or tryout membership, attached is a QR code you can print to have at check-in that will prompt the athlete to purchase the \$10 Tryout Membership to be covered by insurance.
