Starting Date: Immediate

Power FC

Power Soccer was formed in 1996 to create a soccer coaching resource for the growing population of Canadian players and coaches. Since then, Power Soccer has grown to become one of the most respected player development programs in Canada. The Power FC Academy was formed in 2005. Our programs are designed to help players kick their skills up to the next level and reach their fullest potential in a positive and challenging environment. Our organization is comprised of fully accredited professionals who are experienced in developing the psychological, physical, tactical and technical qualities of young players. We take pride in our ability to develop youth players. Power FC has a Boys and Girls Academy Team Program. We are currently building the girls section with U8 to U15 teams. Each season at Power FC runs from January to early December. Throughout the season, in addition to regular training and league play, we participate in some of the most important events in Toronto, such as the Umbro Showcase and FTF Showcase. We also take part in various showcases and tournaments across the USA. Each year, select teams are given the opportunity to participate in international tournaments or exhibition games in countries such as Spain, Chile, and England.

Assistant Coach

Power FC is currently seeking an assistant coach, who will be working alongside the club's Technical Director developing and overseeing the implementation of the club's game model while also maximizing the experience for players, assistant coaches and club members.

Technical Responsibilities:

- Learn/understand and execute the Power FC identity, game model and principles.
- Ability to design, lead and implement training sessions based on the 5 functions of the game.
- Manage team on match days.
- Provide direction and mentorship to the desired age group.
- Support all club programs and initiatives.
- Attend all club provided coach education days: Classroom and Field.
- Provide player feedback.
- VEO Analysis
