TRY VOLLEYBALL 365

USAVolleyball

Year-Round • Quick Reference • Club Host Guide

Fun and Free! A Beginner-friendly pathway into volleyball. For NEW participants only, not current club players.

1 Register your Clinic + Get Approved

- Complete the Try Volleyball Host Registration
- USAV returns approval, host instructions, the FREE membership link, and the Host Toolkit Link
- Approved clubs may host two clinics per year; National events don't count toward that limit

2 Build your clinic registration

- Use any platform that exports a participant list in Excel with all USAV required fields
- Platform Options: LeagueApps, Playbook, Google, etc. - Suggested: SportsEngine Registration (membership can be built in)
- Required Minimum Event Fields: Name, Gender, Date of Birth, Grade, Guardian name, Email, and ZIP code

3 Send USAV your clinic registration link

- Email your registration link to USAV for the nationwide map; unless you have already added to your host application

4 Promote, Staff, + Plan

- Promote with Host Toolkit templates via club, schools, community, and social media. Post a lot!
- Recruit and hire staff. Adult staff need a valid membership with Background Screen (BGS) & Safe Sport Certification (SS)
- 18U Junior Staff need a full junior membership (Junior Player or Junior Staff) to volunteer
- Plan your clinic; use your own program/clinic plans or follow the session plans in the Host Hub Toolkit

5 Confirm every participant's membership

- Every athlete must hold the FREE Try Volleyball membership before participating
- Participant membership is completely FREE, required, not rosterable, and valid ONLY for Try Volleyball clinics
- Keep reminding families they need the free membership. A QR code will be provided for day of registration

6 Run a successful clinic

- One hour out: set up courts and the registration table with QR code for those who need memberships 30 Mins out: Open check in
- Verify membership with Eligibility Search, a digital membership on phone, or a printed card
- Welcome them, keep it brief, encourage FUN, and split groups if needed
- Safety: address water bottles, and equipment laying around gym
- Send parents home with "whats next" materials and development opportunities

7 Complete Post-Event Reporting

- Submit your Participant list and Feedback via link found in your approval letter (or reach out to tryvolleyball@usav.org). The Excel participant list is REQUIRED and photos & feedback are highly encouraged but optional
- Follow up with families about more volleyball opportunities through your club, region, or community
