

New COVID Rules as of 1/14 for RYHA Games

Below are the current COVID rules in effect as of 1/14/2021. Many are unchanged from before, but there are some important changes. The major changes are highlighted, but please review all rules.

1. Per the state mandate, cloth face coverings (masks) must be worn by everyone inside an arena at all times. This includes participants during on-ice practice and game play.
2. Locker rooms may be used with limited capacity. Players should put skates on in locker rooms or designated areas of the arena that provide for social distancing.
3. No equipment bags will be allowed in facilities with the exception of goalies & coaches.
4. All players must arrive to the arena fully dressed, with the exception of skates, helmet and gloves. Goalies are allowed to arrive half dressed.
5. Players must not enter the arena prior to 10 minutes before the start of their scheduled ice time. They must exit the arena no later than 10 minutes following the conclusion of their ice time. Goalies may enter 15 minutes before.
6. Spectators during practices will not be allowed in arenas for Phase 5, with the exception of Mites/8U players and below and Disabled Hockey players who will be allowed one parent/guardian/support person per player. These spectators must be masked and socially distanced from others.
7. Two (2) spectators per player are allowed during games. All spectators from each team must check in using the posted QR Code, each spectator must complete all the fields. Spectators for games can enter the rink 5 minutes before game time. Spectators must exit immediately at the end of the game. Spectators must follow the enter and exit signs into the rink their player is playing on only.
8. Off ice officials (penalty box attendant, game clock attendant, score log keeper) do not count as a spectator to a player. Graham and Rec Center are currently allowing 3 off ice officials.
9. Dryland activities will not be allowed inside the arenas.
10. There can be 3 coaches on the bench during games.

New Spectator Check-in Process

Minnesota Department of Health (MDH) now requires each team to track spectators. This process will be in place for all our home and district games. Each player is allowed 2 spectators. Spectators have two options for checking in to view a game. Check-in is required for each spectator (younger siblings are not required to check-in separately).

- 1) Begin check-in on the RYHA web site: [Rochester MN Youth Hockey \(pucksystems2.com\)](http://Rochester MN Youth Hockey (pucksystems2.com))

Chose the arena where your game will be played to continue

- 2) Upon entering the arena, locate the check-in signage with the QR code and follow the instructions. See example below:

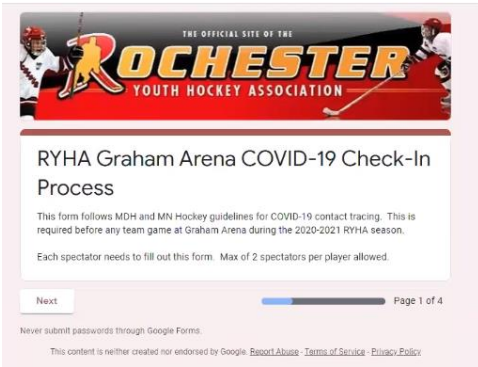

Rochester Recreation Center COVID-19 Check-In Process

- Step 1: Open camera or snapchat
- Step 2: Scan QR Code
- Step 3: Complete form & submit 1 response per spectator
- Step 4: Close browser

The screens in the spectator tracking form are shown below:
