

COVID – 19 WAIVER

The health and well-being of our staff and athletes remains our top priority. In order to minimize the risk of COVID-19 entering our environment and spreading amongst our community, we will only allow staff assigned to work and athletes scheduled to participate to be in our gym at this time.

Kansas City Volleyball Club (hereafter referred to as the “Club”) has put in place numerous preventative measures and enhanced cleaning protocols to reduce the likelihood of spreading COVID-19 in the gym environment; however, the Club cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending sponsored activities at the Club could increase your risk and your child(ren)’s risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily agree to the participation terms described above and assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the Club and that such exposure or infection may result in personal injury, illness, permanent disability, and death.

All participants in Kansas City Club Volleyball’s sponsored activities agree and abide by the following:

- If the athlete or parent is sick, please do not come to the facility. This includes but not limited to fever, cough, shortness of breath and other symptoms of COVID-19 outlined by the CDC.
- Athletes and coaches may arrive no more than 10 minutes before the activity and must be picked up/leave immediately after activity concludes.
- Temperature checks will be required before athlete enters the facility.
- Coaches and athletes are more than welcome to wear a mask if they choose but are not required.
- All players and coaches must sanitize their hands prior to entering the gym area and after leaving the court.
- There will be a maximum of 12 players on the court.
- No spectators allowed in the facility during activity at this time.
- There will be no tables or chairs available to put equipment on.
- Athletes and coaches will bring their own water. Water fountains will not be open.
- Hand sanitizer will be available however, it is strongly suggested that athletes and coaches bring their own.

I understand that the risk of becoming exposed to or infected by COVID-19 at the Club may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Club employees, volunteers, and program participants and their families. I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)’s attendance at the Club or participation in Club programming (“Claims”).

I further acknowledge and agree that, due to the nature of how volleyball is played, social distancing of 6 feet per person may not be possible at all times. I fully understand and appreciate both the known and potential dangers of performing this activity, and acknowledge that, despite Kansas City Volleyball Club’s reasonable efforts to mitigate such dangers, this activity may result in exposure to COVID-19, which could result in quarantine requirements, serious illness, disability, and/or death. I agree that, by participating in this contracted engagement, and by accepting the consideration received, I am expressly assuming the risk of such participation for me and/or my son/daughter.

On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless the Club, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto.

I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Club, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Club activity.
