A Message from the Board

Dear VAA Traveling Baseball Families,

Welcome to the first edition of our new monthly Traveling Baseball newsletter!

It's been a busy post-season for AVTB, starting with the on-boarding of a new Commissioner and many new Board members. All of our Board Members, their positions and contact info can be found on the VAA-AVTB website. Please don't hesitate to reach out to any of us with questions, concerns, feedback, ideas, etc.

We are still looking for two members to join us as Tournament Coordinators for the VAA hosted tournaments in May & June. We invite anyone and everyone to stop by one of our monthly Board meetings to meet us, ask questions or just hear what's going on. We meet the first Monday of every month, 7pm at the VAA Fieldhouse.

In the few short months we have until the season gets going again, we will be finalizing all plans for summer 2020 including the budget, tournaments, uniforms, etc. Watch for registration to open in January, and share with your friends! We'll be working hard to grow traveling baseball participation and need everyone's help to improve the program for all of our kids.

Please keep an eye out for this email each month to stay up to date on all things BASEBALL in our VAA community.

Thank you!

Change to AVTB 2020 Age Requirements

In last month's AVTB Board Meeting, a vote was taken and passed to allow 8 year olds to register for traveling baseball. The issue was discussed and implemented in an effort to mirror what other associations are doing, as well as grow participation in our program. 8 year olds will only be allowed to register and compete at the 9U level.

Please share this policy change with neighbors and friends who would be interested!
