Subject: Ontario Soccer's new 2022-2026 Strategic Plan – Grassroots (Club and Academy) Survey

2021 marks the third and final year of Ontario Soccer's current three year Strategic Plan.

This year, the Board of Directors of Ontario Soccer, led by the Strategic Planning Committee must commence with the preparation, planning and design of our new Strategic Plan in order for it to be fully operational for 2022.

The new strategic plan will be structured as a five-year plan running from 2022 through to the end of 2026 and will align with Canada Soccer's strategic plan.

The planning process for this new Strategic Plan will require input from many stakeholders of Ontario Soccer.

Ontario Soccer is encouraging every registered Club and Academy in Ontario to participate in this planning process by providing their valuable input. Please share this survey with your organization's Board, staff, volunteers, coaches, match officials, parents and players.
