

MKSC Academy is a club-wide program of the Milwaukee Kickers Soccer Club for both Boys and Girls. MKSC Youth Academy offers year-round programming for U8 - U10 players.

Led by a team of talented and experienced top-level coaches who specialize in individual player and team development, MKSC Academy provides both a competitive playing experience and educational instruction in the technical, tactical, physical, and psychological components of the game necessary for long-term success.

Housed at Uihlein Soccer Park, MKSC Academy players have access to a year-round, state-of-the-art training facility that includes practice fields, indoor training on three indoor fields, scheduled training, and game opportunities on the park's two artificial turf stadiums.

As Wisconsin's leader in youth soccer, MKSC Academy is truly a unique program that stands apart from any other select program in Wisconsin.

YOUTH ACADEMY PROGRAM (U8, U9 and U10 players) Birth years: 2014, 2013, 2012

Youth Academy provides soccer players an environment where they can test and enhance their soccer skills. The training atmosphere is designed for players to explore and determine the level of play with which they are most comfortable.

All U8, U9, U10 Boys and Girls teams will play in the WYSA's Youth Academy Club by Club league.
