# ***A MESSAGE FROM The Director of Coaching***

As we are nearing the end of the fall travel season, there are things to celebrate and also still look forward to. Many area students took part in the recent referee course and became certified referees! They are currently gaining experience and appreciate the encouragement and support they receive from parents on the sidelines.

Our fall teams have had fun together at trainings, games, and team events, which is so great to see! We still have some league games and tournaments to play.

Don't forget Impact Supplemental Tryouts are on October 30<sup>th</sup>. If you know of anyone looking for a club, please send them the information on the following slide.

We want to thank the parents, grandparents, guardians, and others for supporting your teams, getting players to training, and cheering them on at games. We couldn't do it without you!

Let's finish the season strong, stay positive, and enjoy the time at the fields!
