New Routine Clinic Update

Shannon cannot attend the workshop in FL now. Amanda Reed is still able to attend. We are asking others to attend, we talked to several gyms that we knew were attending the workshops, Alex Luke will now be working our KY Clinic for us to teach the new floor routines. Sign up through Speedy Grid will be out and available ASAP. Pay via Pay Pal, sign up through USAG website and Speedy Grid. We looked at the schedule through Speedy Grid and learned how to use it.

We finalized all clinicians and their payments and the schedule. Shannon asked that all clinicians bring their own athlete if needed. We filled in spots that needed a clinician as some of them can only work one day.
