Practice Info (cont'd)

Dress:

We will communicate what to wear at practice at equipment hand out.

Player Contact Requirements:

NOTE: All players need 10 hours of non-pad practice before contact can begin (usually completed during the first week of practice)

For those players who miss any days during the first week, they will have to “make up” their non-contact days the subsequent week. These 10 hours will need to be completed prior to full-contact, which is scheduled to begin on Aug 12th. It is very important that the boys get their non-contact requirement in during the week of Aug 5th so they don't fall behind.

Practice Guidelines:

Players are asked to come to practice dressed and ready to stretch and warm up. Please don't bring your gear and dress at practice. Be ready to go at the scheduled time. Please pick up your child at the scheduled end time so the coaching staff doesn't have to wait for your child to be picked up. You need to contact the coaches ahead of time if your child is going to miss practice.
