

2020-2021 COVID-19 STATE TOURNAMENT PROCEDURES

Subject to change at any time

All TSL State Tournaments will follow their local and State COVID-19 Directives to host a tournament.

All teams participating will follow the State Tournament Hosts local COVID-19 rules for participants, spectators, etc.

It is the responsibility of each Coach and Team Manager to know these guidelines and to communicate them to the parents and players before traveling to any non-home game. It is the responsibility of the host site to make sure these guidelines are given to a visiting team prior to any travel dates.

COVID-19 State Tournament Disruption

If a State Tournament is cancelled before state game play begins; league standings will be determined by the TSL final league standings.

If tournament play has begun and is interrupted due to COVID-19 for any state or local reason; the State Tournament Director and League Commissioner will make the determination to cancel the remainder of the tournament.

If a TSL State Tournament is cancelled after it has begun no attempts will be made to reschedule the remainder of the games. Awards for 1st and 2nd place in the league will be determined by State Tournament play to that point. IF this is not an option due to few games being played, standings will be determined by TSL season game play and awards will be determined by highest standings for 1st and 2nd place.

In the event a tournament may need to be cancelled or is cancelled; every effort will be made to contact all Coaches and Managers immediately.

The TSL takes no responsibility for expenses incurred due to a cancelled tournament. The MAHA bond would be refunded to each organization if a tournament is cancelled. Fees paid to the host organization above bond would be refunded; minus any costs incurred up to the time of cancellation.
