The Kettering Largo Mitchellville Boys & Girls Club (KLMBGC) recently conducted a survey of parents and coaches to gauge the interest and willingness to participate in sports activities this 2020 fall season. While the responses to the survey indicated the majority of the parents would allow their children to participate in fall sports, the Board, after extensive deliberations, unanimously voted to forego the 2020 fall sports season. This decision was largely made out of an abundance of caution for the health and safety of our youth, parents, and coaches. Other factors influencing our decision included our ability to implement and enforce COVID-19 safety procedures, insurance, uncertainty of school re-openings, and the recent surge of COVID-19 cases across the state.

Additionally, the Prince George's County Boys and Girls Club (PGCBGC) announced earlier this afternoon, their decision to suspend **PGCBGC'S 2020 FALL SPORTS SEASON** activities and events through **December 1, 2020**. Please refer to the [PGCBGC website](#) for more information regarding this announcement.

KLMBGC thanks each of you for taking the time to participate in this survey and looks forward to seeing you and your children when this pandemic subsides and the health and safety concerns have been mitigated. KLMBGC continues to actively monitor the situation and will keep you informed of all future decisions. In the meantime, please stay safe and well.

If you have any questions or concerns, please email them to secretary@klmbgc.com.

Regards,
KLMBGC Board of Directors
