

INDIANA GIRLS LACROSSE ASSOCIATION

Rostering Teams on a Computer

Important: In order to Roster players on a team, one will need to be provided with specific website permission/access from the Admin (INGLA Board Secretary). Each team must have one person with permission/access approved. This person must be registered on INGLA and will be assigned to roster all team(s) for their school/club (Varsity, JV1, JV2).

If you have not already received access and you are the rostering representative for your team, please email inglacommunications@gmail.com with your name and school/club before proceeding.

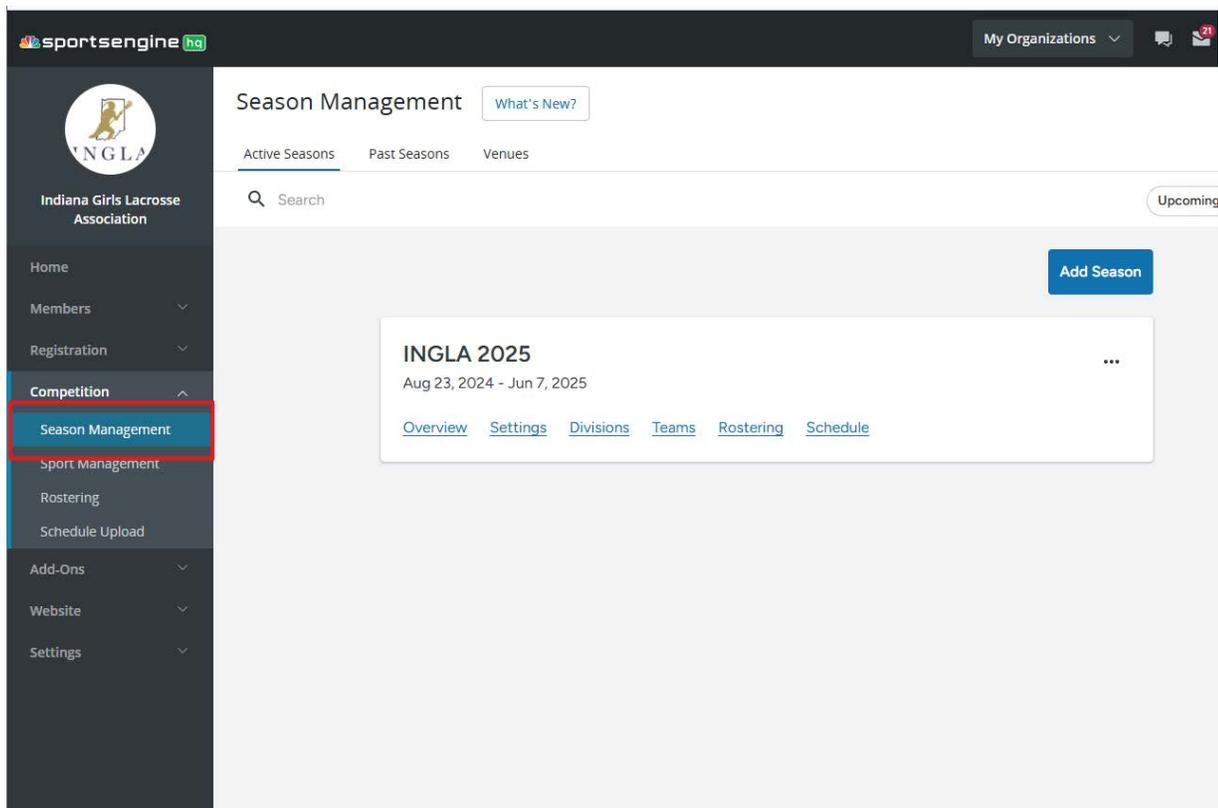

If you have any questions, please email the INGLA Secretary at inglacommunications@gmail.com.

This guide has been updated for the 2025 season but contains screenshots from previous years as well.

Rostering Teams in INGLA – On Computer

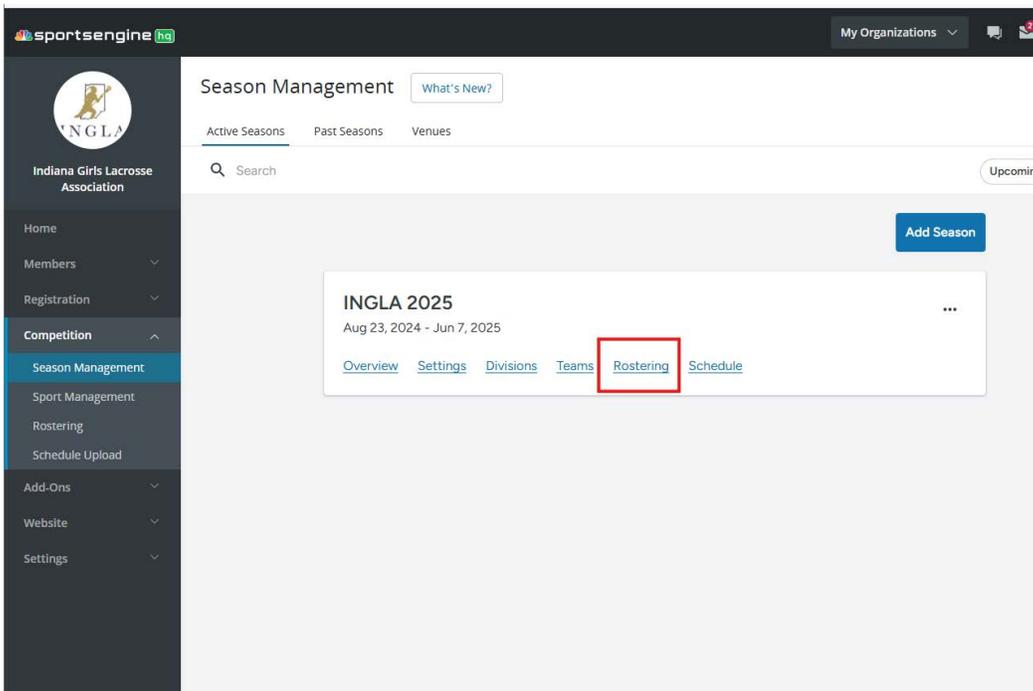

Log into your INGLA/Sportsengine account. Your picture/initials will be in the top right corner. Click “hq home” in the top left corner.

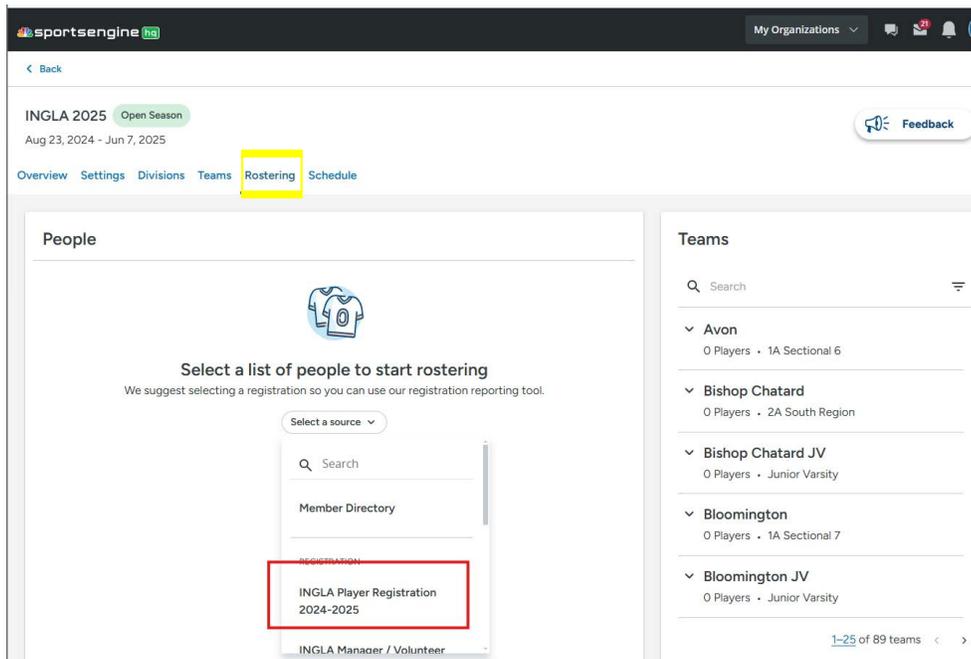

This takes you to the SportsEngine HQ. If you sign in and come directly to this page, you are good to go. Click on "Competition" followed by “Season Management”.

Rostering Teams in INGLA – On Computer

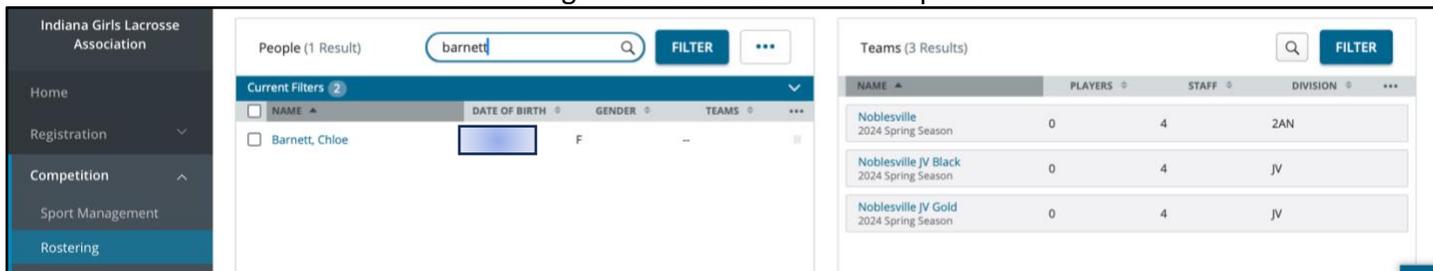

Once you click on “Season Management” a new page will open and from the options choose "Rostering"

The Team(s) will be on the right-hand side. Click on “Select Source”. From that menu, click on “INGLA Player Registration (year-spring of Lacrosse season). This will bring up a list of every INGLA registered player. From here, there are two ways to Roster your team.

Option 1: Search – Magnifying Glass – With this way, you can type in your player’s individual names, one at a time, and then move them to their team(s). This way may be best for teams that have players outside of their district/city.

Rostering Teams in INGLA – On Computer

Option 2: Filter - The filtering format will help most with school district teams.

1-2 of 2 teams

There may be players listed for your city/school district that will not be on your team. Be aware of this on the following steps of clicking and dragging the players to their team(s).

The screenshot shows the 'Rostering' section of the INGLA interface. On the left, the 'People' panel displays a list of players from the 'INGLA Player Registration 2024-2025' source. The player 'Alexandra DeHart' is highlighted with a yellow box. On the right, the 'Teams' panel shows a search for 'zionsville', with 'Zionsville' and 'Zionsville JV' listed. 'Zionsville' is also highlighted with a yellow box. A yellow arrow points from the player's name in the 'People' list to the 'Zionsville' team in the 'Teams' list.

To assign a player to a team, click and hold on their name, then drag them to the appropriate team and release. You can assign players to multiple teams in this manner.

The screenshot shows the 'Rostering' section with the 'Assign Players' tab active. A search for 'barnett' has been performed, resulting in one player: 'Barnett, Chloe'. The 'Assign Staff' tab is also visible. On the right, the 'Teams (3 Results)' panel shows three teams: 'Noblesville 2024 Spring Season', 'Noblesville JV Black 2024 Spring Season', and 'Noblesville JV Gold 2024 Spring Season'. A notification at the bottom right states: '1 player was assigned to Team Noblesville JV Black: Chloe Barnett'.

After you release the player over the team, you will receive a notification at the bottom that the player was assigned to the team you placed them on.

Rostering Teams in INGLA – On Computer

The screenshot shows a 'Teams' management interface. On the left, there is a large empty area with a small orange square. On the right, the 'Teams' section is active, showing a search bar with 'zionsville' entered. Below the search bar, two teams are listed: 'Zionsville' (1 Player, 2A North Region) and 'Zionsville JV' (0 Players, Junior Varsity). A dashed box highlights the 'Drop people here to assign to team' instruction for the Zionsville team. Below this, a player named 'Alexandra DeHart' is listed with a redacted name and a 'Remove' button. At the bottom right, it says '1-2 of 2 teams'.

To see the rostered players, click on the team name and they will be listed.

If you rostered a player on the wrong team, find the player and click the "remove" button at the end of the line their name is on. The player will be removed from that team, though they will still be in the registered list.

The screenshot shows two side-by-side panels. The left panel, titled 'People (19 Results)', has a search bar and a 'FILTER' button. Below it, a table lists 19 members with columns for NAME, DATE OF BIRTH, GENDER, and TEAMS. A blue vertical bar highlights the 'DATE OF BIRTH' column. The right panel, titled 'Noblesville 2024 Spring Season', shows a list of players with columns for NAME, AGE, and POSITIONS. A green notification box in the bottom right corner of the right panel says 'Chloe Barnett has been removed.' A 'Need Help?' button is visible on the far right edge.

NAME	DATE OF BIRTH	GENDER	TEAMS
<input type="checkbox"/> Adams, Molly		F	2
<input type="checkbox"/> Barnett, Chloe		F	Noblesville JV ...
<input type="checkbox"/> Cook, Victoria		F	Noblesville
<input type="checkbox"/> Fehsenfeld, Callie		F	Noblesville
