Dear Friends of the Cypress Community,

Cypress Youth Baseball is a 501 (c) (3) non-profit organization dedicated to promoting good sportsmanship, honesty, respect, loyalty and a sense of teamwork through a positive, competitive, and ethical environment.

Like virtually all youth sports organizations, Cypress Youth Baseball is a 100% volunteer organization from the snack bar workers to field maintenance. In fact, the only paid individuals are the professional umpires provided by a separate organization on a contract basis. This is mentioned to assure donors that 100% of their contribution goes to organizational activities.

Team sponsor donations will contribute to the league as follows: 60% Operations, 20% Capital Improvements, 20% League Activities (Opening & Closing Day). Any sponsor amounts above the initial \$150 will be split with the team, with ~25% going to the league and ~75% going directly back to the team to use for team activities (practice gear, batting cages, etc.).

We value our Sponsors and know that with your help the League may continue to provide the much-needed items for these children. As Volunteers we will continue to provide this safe, fun and athletic program to hundreds of children who look forward to playing baseball each and every year.

We kindly thank you for your donation to sponsor one of our teams during our 2021 Spring Season. We also invite you to come out and cheer on the players you have elected to sponsor.

With Sincere Appreciation,

Nikki Martin
