

SAXON YOUTH FOOTBALL

1910 Church St SE, Salem, OR 97302

Dear Local Business Partners,

I'm reaching out on behalf of Saxon Youth Football, a 501(c)(3) non-profit organization dedicated to making youth football accessible and affordable for every child in our community. Our mission is simple but powerful: to give kids the opportunity to learn hard work, teamwork, discipline, and confidence through the sport of football—regardless of their family's financial situation.

As we begin preparing for next season, we are actively budgeting for the rising costs required to run a safe, successful, and development-focused youth program. Expenses such as equipment, field use, insurance, scholarships, and training resources continue to increase each year. Despite these challenges, our commitment remains the same: no child should be turned away due to financial barriers.

Sustaining a quality youth program takes a community and we rely on local partners like you who believe in investing in our youth and strengthening the future of our district. Your sponsorship directly supports our ability to keep registration fees low, provide scholarships, maintain high standards of safety and coaching and allow our players the opportunity to participate in the upcoming spring 7 on 7 flag football league.

Below are the sponsorship levels we are currently seeking. The top sponsorships include all benefits offered in the levels below. For example, VARSITY sponsorship includes benefits at JV, Freshman, Tackle and flag.

VARSITY - \$2,000

- Named as Spring 2026 7on7 Flag Team Sponsor

JUNIOR VARSITY - \$1,500

- Business logo on website and social media shout out

FRESHMAN - \$1,000

- Plaque thanking business for supporting Saxon Youth Football

TACKLE - \$500

- Business logo on camp t-shirts

FLAG - \$100

- Window cling outside business recognizing your support

Thank you for your time, consideration, and commitment to our kids. Together, we can continue building a program that invests in growth, safety, and our kids future. Donations made by Dec. 31 will be tax deductions for 2025.

We are looking forward to partnering with you!

Sincerely,
The Saxon Youth Football Board
