 - 14 Open LVC 2nd
 - 16 Open Pace 3rd
 - 17 Open HSJ 2nd
 - 18 USA LVC 3rd (Tied)
- Membership in the region is down 45.8% as of report dated 1/31/21 from National office. Email from Bill for report run as of March 1st – membership down 36.2% with 110 registered as tryout members this year did not upgrade compared to 187 from last year.
- Additional sanction requests submitted for approval for March and April. Niagara Frontier Sports sanction request for 3/21 (18/14) since HS season starting mid-March for Section VI. Eastside Ice hosting a fourteens event in 4/3 for 14's. Working with tournament directors in finalizing twelves events in March (3/20 or 3/27) and April (4/27). Not enough interest voiced from clubs in regards to participating in events during HS season for the older age groups. Most clubs are pausing during the HS season or wrapped up their season at the end of February.
- Sent email to Pinnacle and the Armory in regards to cancelling all previously reserved dates for events with exception of May 23rd for the Boys Regionals. Armory required a \$500.00 deposit for the event.
- Received email from the Armory in regards to an increase cost for facility rental. It has been ten years since the prior rental cost was agreed to. New hourly rate of \$50.00 with a three court minimum rental for a minimum of two hours. Daily rental cost for six courts increased from \$1500 to \$2000. Per court rental is \$335 per court with no guarantee that other courts will not be rented. Full payment required seven days before the scheduled event.
- Completed the girl's team region rankings from 2021 events attended by clubs. Will request posting to the region website and utilized for seeding and acceptance (if more than four teams are interested in participating) into the bid qualifier event.
- Confirmed with USA that WEVA will have a National division bid allocated for 11 thru 18 age groups and an American division bid allocated for 13 thru 17 age groups to USA Nationals this year in Las Vegas for 11-17 and Columbus for 18's.
- BID Qualifier for girls, submitted sanction request for the 12-16's on May 16th. Sent email in regards to change to allow teams to participate even if they will not accept a BID to USA Nationals. Region will still only accept a maximum of four teams per age group. One court will be assigned for each age group at Niagara Frontier Sports. Pool of four with the last match of pool play becoming the finals if that match has no impact on the top two finishing teams. Otherwise that match will be played and then top two teams will play in a final match with the winning team earning the National bid and the loser earning the American bid for the region. The 18 and under BID will occur on a mutually agreed upon Sunday in March if more than one team is interested in attending 18's Nationals. Currently, Octane has voiced they would want to attend and NFVB is still deciding. Requested decision by March 12th. Need to communicate qualifying teams by April 5th for 18's and 5/31 for 12's-17's. The seventeens age division will be scheduled for the week of May XX. Octane had voiced interest in playing but will not travel to Niagara Frontier Sports during the week to participate.
 - Number of teams committed to accept bids to Nationals per age group noted below:
 - 12's – 0
 - 13's – 2
 - 14's – 3
 - 15's – 3
 - 16's – 4
 - 17's – 4 (one not willing to travel during the week to Niagara Frontier Sports)
 - 18's – 1 (with NFVB still considering) – play 3/21 at pending sanctioning event for 18's, if needed

- WEVA purchased hand held whistles for officials providing service this season, showing support of the region for their services. Additionally, region purchased and delivered hand held whistles for use by second referees at the 4 venues being used for events this year. THANKS go to Frank for coordinating!!
