

Elmbrook Youth Hockey Association Pilot Policy for Dual Rostering of Girls

Elmbrook Youth Hockey Association, Inc.

Effective: June 2018

WAHA has approved a two-year pilot program allowing girls to double roster with a Girls and Co-Ed team at the same U10/U12/U14 age level. The pilot program is intended to run for the 2018-2019 and 2019-2020 hockey seasons. Elmbrook Youth Hockey Association (EYHA) is supportive of WAHA's pilot program in the interest of furthering youth hockey and fostering girls hockey in the state of Wisconsin. The policies for the pilot program for eligible players that reside in the boundaries of the EYHA are laid out below.

Policy:

Primary or Secondary Declaration

During the pilot program the player may declare a primary and secondary team.

If a player makes the A-Team for EYHA, EYHA will be the primary team and the player will be available for all divisional games, play downs and State Tournaments.

If a player makes the B or C Team for EYHA, the player can choose either EYHA or the Waukesha Wolves as their primary team.

Primary and Secondary teams must be declared by 10/31 prior to EYHA's first invoice cutoff (via Declaration form). Declaration of primary or secondary team must be submitted to the EYHA Treasurer in writing with notification given to the EYHA VP On-Ice, EYHA Hockey Director, Waukesha Wolves President as well as both coaches.

Players will be available for all games, practices, divisional games, play downs and State Tournaments with their primary team unless the coaches, EYHA VP On-Ice and Waukesha Wolves President come to a mutual agreement and the information is communicated to the EYHA Hockey Director.

Any double rostered player must play in 5 season games with the State Tournament bound team after December 15th and prior to the teams first Playoff Game to be eligible to play in the state tournament. Any player that is double rostered and does not meet the player qualifications will not be available to play for the state tournament.

Fee Schedule

If the player resides within the boundaries of EYHA the player will register with EYHA as a "Dual Roster Player" and will register for the dual roster fees.

Dual Roster Declaration

I, _____, for the 2018/19 USA Hockey Season

declare that my daughter, _____, will select:

- EYHA as Primary Team
- Waukesha Wolves as Primary Team

Parents Signature: _____
