South Coast Hockey League is registered as a 501(c)(3) not for profit organization dedicated to keeping youth hockey affordable for families in the region. Our goal is to offer teams a league that promotes sportsmanship and celebrates the love of the game while hosting fair, exciting competition at all levels.

South Coast Hockey League will be run entirely by its member associations. Between us, we have hundreds of years in service to youth hockey programs. We have worked together through many past seasons and have developed a sense of camaraderie and cooperation that allows us to anticipate each other's needs and understand each other's challenges. Our collective desire is to rebuild the legacy of town hockey and make it the obvious choice for players who want to improve their game while having fun and representing the towns they come from.
