## 2024 West Hawk Lake Sailing Club Annual General Meeting

Tuesday, Nov.12, 2024, 8 pm CST via Zoom meeting

Attendance: Larry Allan, Hilary Booth, Heidi Cloutier, Evan Fox-Decent, Kevin Harbottle, Imants Holmquist, Cory Krestanowich, Paul Krestanowich, Tom Saunders

Meeting called to order at 8:02 pm by Commodore Tom Saunders

Quorum of minimum six members confirmed by Paul Krestanowich, unanimous approval

Motion to approve 2023 AGM minutes was held by email (minutes not available, Paul left at work) the following day by Paul Krestanowich, seconded by Kevin Harbottle, approval by email Nov.13/24

Discussion of financial statements (bank account & line of credit transactions for the year Oct.1/23-Oct.1/24), highlights by Paul Krestanowich

Line of credit up from \$4,531 to \$4,886 due to electrical, deck & stairs. Province of Manitoba stills owes us \$3,800 so line of credit will be down to approx. \$1,000

Bank account up from \$533 to \$880.

No wage subsidy or Green Team approved this year when we finally had instructors to fill the roll.

Motion to approve financials by Kevin Harbottle, seconded by Heidi Cloutier, unanimous approval

Discussion of 2024 programs, decrease in participation back to our normal 40+ students. 5 weeks of lessons, full-time instructor Heidi Cloutier shared with Falcon Sailing for an additional 2 weeks.

Lots of collaboration with Falcon Sailing with exchange of instructor, sailboats (Optis & Laser), female only class. Felt the Falcon sailing folks inserted themselves onto our instructors for our week of female only sailing, need to keep a handle on that.

We most likely won't be able to share an instructor in 2025 as Heidi was hired full time in her school division to teach.

Race Around the Lake super successful, 17 boats and 30 sailors, pot luck dinner at Brad & Kristy Hayden's for 50+ people.

Action: Evan Fox-Decent & Jamie Booth looking to run two additional shorter races in 2025.

Action: Paul Krestanowich and Tom Saunders looking for good used Lasers for our members.

Tumbleweeds used for the youth advanced program and Code 40's will be used in 2025.

Sailing gear not sold online this year but will be available in 2025 from Home Run Sports.

Floating dock installed and stairs, electrical and deck completed!

Discussion of to-do list: dump run in 2025, eavestrough for front edge of garage, purchase of four 4.7 Laser rigs for the fleet (approx. \$3K).

Slate of officers presented by Paul Krestanowich

Tom Saunders – Commodore, Paul Krestanowich- Vice Commodore, Directors – Kevin Harbottle, Kevin Anseeuw, <sup>Derek</sup> ~~Droke~~ Hayden, Evan Fox-Decent, unanimous approval

Motion to adjourn Tom Saunders, seconded Paul Krestanowich, Adjourned 8:26 pm

## 2025 West Hawk Lake Sailing Club highlights

36 - red West Hawk Lake Sailing Club visors with Canada flags embroidered on them ordered for next season.

All Sail MB dues and insurance paid up, \$980.

Commercial insurance \$1,278 this year.

Chequing account sitting at \$242.93 and Line of Credit down to \$444.51.

Looking at pricing for Laser 4.7 rigs, smaller than Radials.

Next summer part of the golf tournament proceeds will be used to pay down the debt, keep our bank balance higher and hopefully get rid of the line of credit that is looked after credit wise by Paul Krestanowich and Kevin Anseeuw.

Final Govt of Canada Summer Jobs payment came in \$4,304, this allowed us to always have two instructors during this summers lessons. The payment came early this year, usually don't receive \$ until Dec/Jan if we receive this grant. It tends to be granted to us every second year.

Still working on road signage in the main townsite of West Hawk with Chamber of Commerce.

Electrical is almost complete at the club, need lights installed, wiring done and then once complete hook into Weatherill electrical panel.

Work party in August completely cleaned up the club grounds of trees, rubbish, etc. A few more trees came down this fall so will need to take those down over the winter.

Working on donors and the permanent plaque at the club site similar to TransCanada Trails.

Port-o-pottie only \$350 for the whole summer, thanks to Septic MD and Kevin Harbottle for arranging.

Yoga a huge hit for 6 weeks this summer, really need another instructor to have more days of yoga.

Two well received sailing races this summer!

1. Round the Lake, 25 boats, 2 windsurfers and 40 sailors, 90 people for the awards ceremony, dinner and band at the Brad & Kristy Hayden's! Thanks to Heidi Cloutier and George Daniel for running the race.
2. The Mulligan, 15 boats and 23 sailors, thanks to Jamie Booth and Evan Fox-Decent for running the race.

Brian Beveridge competed in the 2025 Snow & Ice Sailing World Championships in Madison, Wisconsin in February and finished 12<sup>th</sup> in the Kite Elite skis.

Local sailor Lola Parkinson was chosen to represent Manitoba in her Laser 6 (Radial) at the 2025 Canada Summer Games in St. John's Newfoundland in August and finished 7<sup>th</sup> overall against a veteran group of sailors!

Bonnie Cham and Lorne Bellan of Caddy Lake donated their Laser to the club, it will get plenty of use by the LTS program.

Tom Saunders sourced two beautiful classic Albacores from the Ottawa area that have been refurbished to perfection and brings our local fleet up to 8 on West Hawk. Lasers are the largest fleet on West Hawk but the Albacores are giving them a run for their money. He's now working on a couple more Albacores to add to the fleet.

Sail West Canadian Championships were held at Gimli Yacht Club July 17-20, our club was represented by Lola Parkinson who raced, Evan Owen coached and Paul Krestanowich officiated.

The ILCA (Laser) No Coast Championships & Richardson Regatta was held at Royal Lake of the Woods Yacht Club July 26/27, we were represented by Paul Krestanowich as Principal Race Officer, Susanna Weatherill and Adam Stewart-Boulay were timers and recorders.

The adult female SWWSL level one lessons were sold out, ran the first weekend of July with two Albacores and Falcon instructor Sharlene Telles-Langdon.

Kids lessons started Monday July 7, and numbers were down slightly from our long-term summer average, most likely due to everyone being behind in cabin work with the forest fires. Susanna Weatherill and Adam Stewart-Boulay ably assisted the Sail MB instructors and Tom Saunders over 4 weeks. Hopefully Susanna and Adam will be fully certified coaches next summer.

Whiteshell Power Products (Troy Morrison) tuned up our 9.9 Yamaha and it ran great this summer.

Our club Optis and Lasers finally have their sail numbers on, thanks to Susanna and Adam.

We are scheduled to run the online West Hawk Lake Sailing Club gear store again next summer.
